Okeechobee Youth Livestock Show

Rules and Important Dates

Exhibitors,

The Okeechobee Youth Livestock Show Committee welcomes you!

The Okeechobee Youth Livestock Show (OYLS) was established in 1969. OYLS is a not for profit organization seeking to promote and educate the young people of Okeechobee County, primarily in the field of agriculture and community development.

The OYLS board of directors is a group of sixteen (16) volunteer members. The board is comprised of members of the community in which we all live, work and play. They work hard to ensure that you, and your parents or guardians have an enjoyable experience learning about, showing and selling your projects.

Throughout your projects, you should seek the guidance of your 4-H club leaders, 4-H agent, and FFA advisors. The OYLS board is also here to help guide you through the process. These rules are designed to be a tool to help you navigate your project(s) for a productive show. Please read them carefully. They should answer any questions that you may have. If not, reach out to your 4H leaders, FFA advisors, any OYLS board member or the OYLS administrator.

We look forward to working with you throughout your show project!

See you at the show!
